

WINTER TORRES DEL PAINE W CIRCUIT

**Trek.**

This trek has five days length. In these days you need to use a pack enough room juts for carry your clothes and sleeping bag. Common equipment such as tents, stoves, pots, food will be transferred by different way to next camps by our staff.

**PROGRAM**

**Day 1: Puerto Natales – Torres del Paine.**

Early in the morning transfer to Torres del Paine at Las Torres area. Hike to Torres lookout (8 hours round trip) through footpath towards Torres del Paine lookout, one of the most spectacular views of the park. From here we can view the three granite pinnacles towering above a green, cirque-bound lake in a deep, narrow valley. The scene is one of the intense past glaciations.

Lodging in Torres camp within the park.

Include: Breakfast, box lunch and Dinner.

**Day 2: Cuernos Camp.**

Leave at the morning, the Cuernos refuge (Horns) offers a superb view of "Cuernos" (Horns) and Condors. The trek is developed through footpath that crosses rocky zones and forest along the Paine massif. Lodging in Cuernos (Refuge). Dinner.

**Day 3: French Valley - Pehoé Camp.**

Leave in the morning towards French Valley. After walking along of Lago Nordenskjold, we will go into a impressive valley that is surrounded by mountains like Paine Grande, Horns, Sword, Mask and others magnificent peaks. Soon we will continue towards the Pehoé camp, where we will find our camping place. (Refuge). Snack and dinner.

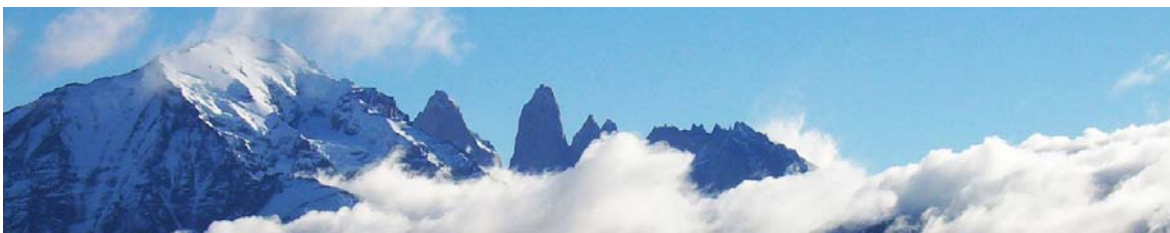

## Andes Mountain Expediciones

### **Day 4: Pehoe - Grey Glacier – Pehoe.**

In the morning we will initiate our trek to Grey Glacier lookout (4 hours). From Here we can contemplate this part of Southern ice cap. Return to Pehoe Refuge. Dinner.

### **Day 5: Pehoe - Lago Toro – Puerto Natales.**

Breakfast. Trek out from Pehoe refuge to Lago Toro, through Las Carretas path. This path take about 6 hours. At Lago Toro, our private transfer will pick us up and return to Puerto Natales. Hotel.
