

SEA KAYAKING TRIP 2 DAYS

Sea kayaking trip tour goes from Torres del Paine down river through Serrano river until the sea besides mount Balmaceda. From here we will back in vessel to Puerto Natales. Add this alternative trip to your trekking adventure in Torres del Paine.

Day 1: Puerto Natales or Torres del Paine park - Bernardo O´Higgins National Park.

Andes Mountain Expediciones

Transfer from Puerto Natales or Torres del Paine in private vehicle. Arrival at area of Torres del Paine and Bernardo O´Higgins National parks. Here we will prepare our sea kayaking equipment and receive practice and safety instructions and recommendations from our sea kayak guide. Start our down river trip (flat water river class). After four hours of paddling we will stop and set up our camp near Tyndall lookout. Dinner.

For people that are finishing some trekking trip in Torres del Paine, our vehicle will pick up at the park to start our sea kayaking program.

Day 2: Sea kayak – Serrano Glacier – Puerto Natales.

After our breakfast in the morning, we will load our kayaks with all our equipment to continue our trip. In this part of the trip we will paddling in a river section with a typical Magellanic forest (Lengas). Also in a clear day, we will be able to observe Tyndall glacier. At the afternoon we will arrive at the end of the Serrano river. Here we will take a vessel and sail Ultima Esperanza fjord and arrive to Puerto Natales.
